My Lady's Manor - Nominations

Nominations (10) for the My Lady's Manor timber stakes (#15), to be run Saturday, April 16, are attached here.

Tryon Block House - Course Report

The Green Creek Race Course was inspected on April 4, 2022 by Dan Fradley and Micah Yarboro.

Turf: There is a solid stand of grass, with a small percentage of weeds, which were sprayed on March 21. Due to the high percentage of grass this year, the spray will not leave bare spots. Grasses prominently seen throughout the course are fescues (fine and turf type tallfescue), with a small amount of Poa Annuua. Foliar fertilizer feeds have been sprayed on a 10-14 day rotation, with a granular feed starting in February of 10-20-20 every 30-35 days (as needed). The course was sprayed for disease on March 31, and will not need anything more until after the race meet.

Smoothness: The course is being mowed every three to four days to help create a dense turf profile. The turf started at 2.5 inches and has now raised its height to 4 inches. The track will be mowed one last time on Monday, April 11 to achieve the desired height of 6 inches plus for race day. This will only change if instructed by the Race Meet Director.

Compaction: Readings of 115 - 140 throughout the course (good - firm). The reading is high due to the irrigation program set for the freshly germinated overseed from February, as watering is frequent to encourage rooting and growth from the seedlings. This means the course was wetter than usual and pore space was filled to capacity. The course will be aggravated this week at a depth of 6 inches to reduce this compaction number, and possibly again the week of race in consulting the Race Meet Director and obtaining feedback.

Moisture: Readings were high (30% plus on average), due to the irrigation program running and applying 0.75 inches of water evenly throughout the course over a 24 hour period. This program runs every day, but will start reducing towards the end of this week.

Notes: Course is in good shape and should be in great condition for the race on April 16.

Live Streaming

Thanks to a generous anonymous donation, NSA trainers may select up to two grooms to be "gifted" a ticket to the live stream shows for the remainder of the spring season. To be eligible, trainers must submit the names and email addresses of those two attendants to the NSA office.

NSA Shoe Policy

No toe grabs, caulks, stickers, turndowns, inserts, trailers, or heel extensions will be allowed on the front or hind shoes. Note: The insert on the toe of the Queen's Plate is considered a "wear plate," not a toe grab. Block heels on the hind shoes (not to exceed ¼ inch) are permissible. Outer rim shoes are allowable providing there is no toe grab.

Further Clarification: No protrusions below the ground surface of the shoe is the target of the rule. On outer rims, consider the rim itself to be the ground surface and grind the toe grabs down flush with it. On everything else the grab gets ground down to flush with the shoe's surface. There are a variety of Block Heels available from various manufacturers. As long as they're labeled Block Heels from the maker, they are permitted. Again, with the toes ground flush to the surrounding shoe surface.

Foxfield Spring Races

The Foxfield Spring race card will be limited to seven (7) races on Saturday, April 30, which may prohibit the split of the maiden claiming hurdle (#35).

Queen's Cup Steeplechase

Please take note of the following changes to the Queen's Cup conditions. The Queen's Cup, to be run Saturday, April 30, will offer an all hurdle, five-race card. The allowance timber (#47) as well as the training flat (#48) have been canceled, and the Queen's Cup is committed to splitting the maiden hurdle (#44), if there are sufficient number of entries, with a \$30,000 purse in each division. Purses for the meet will now total \$155,000.

Virginia Gold Cup

The purse of the maiden hurdle (#49) has been reduced to \$30,000. The purse of the allowance hurdle (#51) has been reduced to \$40,000. Entry fees will be adjusted accordingly.

Willowdale Steeplechase

The Liam Magee (#66) and the Marshall W. Jenny Memorial Foxhunter's Chase (#71) may be open to amateur riders if there is an insufficient number of entries with only apprentice riders.

Fair Hill Races

The Fair Hill Races originally scheduled for Saturday, May 28 have been canceled.

Maryland Bred Bonuses

Breeders and Owners of registered Maryland bred horses competing over fences at National Steeplechase Association sanctioned Maryland meets will now receive a 30% bonus on top of the normal purse amount for 1-2-3 placings. These bonuses are not considered part of purse earnings and will be paid directly from the Maryland Horse Breeders Association. This new program incentive applies to NSA meets at My Lady's Manor, Grand National, Maryland Hunt Cup, and Shawan Downs. For any inquiries please call Cricket Goodall (410-252-2100, extension 111).

Ratings

Please see the attached current ratings list.

All hurdle/chase winners ages 4 and up planning to run over hurdles in the U.S. this spring must appear on the weekly ratings list. Trainers are responsible for checking the list for their in-training horses. If your horse does not appear on the list – and you are planning to run this spring – please notify the racing office via email (harper@nationalsteeplechase.com). Horses not on the list will be least preferred at entry time and may be excluded. Also, if a horse appears on the list, and is taken out of training for the spring, trainers must notify the office.

A horse with an official rating in another country will race on its most recent mark, however, the Committee does have the discretion to adjust if they deem necessary.

Three-year-old winners will not receive a rating until running one time as a four-year-old.
