

## **NSA Official Notices**

### **Tuesday, June 7, 2022**

#### **HISA**

The NSA has reached out to HISA (Horseracing Integrity and Safety Authority) to clarify our status regarding registration for owners, trainers, riders, and horses racing at Saratoga. Once these details are clear, we will pass along the appropriate information.

#### **Colonial Downs**

All horses entering the racetrack grounds must have proof of health certificate and required vaccinations, and a current negative Coggins test.

#### **Apprentice Riders**

Trainers are reminded that all apprentice riders must be approved by the Stewards Advisory Committee to ride at Colonial Downs and Saratoga this summer. Permission to ride is granted on a case by case, and race by race basis.

#### **Ratings**

Please see the attached current ratings list of horses in training for the summer steeplechase season. If you have a horse in training that has won over jumps and is not on the list, please notify the office immediately. Also, if a horse appears on the list and has been taken out of training for the summer, please notify the office.

As a reminder, under the newly modified ratings system, maiden special winners will be assigned an automatic 116 number; a restricted filly/mare maiden winner will receive a 115; and a maiden starter winner (for a \$25,000 price) will receive a 111, through the summer at Colonial Downs.
