

NSA Stewards Advisory Committee Order

On Wednesday, June 1, 2022 the NSA Stewards Advisory Committee conducted a hearing for jockey Gerard Galligan regarding the second race at the Radnor Hunt Races run on Saturday, May 21, 2022. The hearing was conducted via ZOOM. Mr. Galligan was present and represented by counsel.

In this race, it was reported by the Clerk of Scales to the Stewards that Mr. Galligan weighed-in at one (1) pound under the weight assignment for BREVARD PLACE in violation of NSA Rule 7.8.D.1. The Stewards reviewed this issue at the end of the day and decided to refer the case to the Stewards Advisory Committee for a resolution or adjudication per NSA Rule 8.2.A.

After considering all of the testimony and arguments presented and reviewing the Official Scale Sheet, the Stewards Advisory Committee has determined the following:

1. In the second race at the Radnor Hunt races on Saturday, May 21, 2022, jockey Gerard Galligan weighed out at 152 lbs and weighed in at 151 lbs in violation of NSA Rule 7.8.D.1.
2. Mr. Galligan was sanctioned for an identical violation on November 1, 2021 for his improper weight in the sixth race at Shawan Downs on September 25, 2021.
3. The prior sanction, together with Mr. Galligan's prior disciplinary record with the NSA, constitute aggravating circumstances when considering his penalty.
4. Mr. Galligan's violation of the rule did not affect the outcome of the race.

Accordingly, by order of the Stewards Advisory Committee, jockey Gerard Galligan is hereby fined \$1,000 and suspended from Monday, July 11 through Wednesday, July 27, 2022. BREVARD PLACE is not disqualified and there is no change to the order of finish.
