#### **OFFICIAL ACTIONS:**

First Race : The rider of the 2 horse, GOOD BOY (FR) was changed from Garner to Corey McGivern. The 4 horse, IN EFFECT, was eased after the wire and pulled up lame on the left front leg. IN EFFECT was vanned off.

Second Race : During the running of the race, DURRAGH at the seventh fence placed both front feet on the back of the roll and then brought the weight of both hind feet onto the roll. This caused a tremendous compression of the roll which lifted the frame of the fence off the ground as the roll is secured to the frame. While jumping off the roll, DURRAGH drug her hind end through the top of the box that resulted in the already air born fence to completely fall over. The incident has been reviewed with Dr. Harden ,the safety officer.
