Course: Montpelier
Clerk of Course: David Perdue
Race Meet Director: Martha Strawther
Others on Inspection: Sandy Stuart, Brooke Royster

Time In: 11 AM
Time Out: 12:30 PM
Turf: The grass is long between 7-8 inches which is holding the moisture in well
Smoothness: See report from Oct. 23.

Compaction: the course was tested at 26 locations and averaged 116. There was a great degree of consistency

Moisture: course was tested at 26 locations and averaged 7.6, again with a great degree of consistency

Notes: although the forecast looks doubtful for more rain the course has not changed much in the last week of hot weather so is holding up well in moisture and compaction. Cooler weather and heavy dew will help keep it at the present level.

Please note we are going to water the flat track on Friday, November 3, in the evening.
