The earliest dates will be preferred.

Colonial Downs Jump Races

Please note that Lasix will be allowed in all jump races at Colonial, including the two \$100,000 Filly/Mare stakes. Also, steeplechase horsemen will saddle in the receiving barn, and the HBPA office will again be used as the steeplechase jockey headquarters. Also, for Colonial, Virginia General Preference will be in effect. In order, preference will be given to Virginia Bred, Virginia Sired, Virginia Certified, and all other horses that are stabled or trained in Virginia or owned by Virginians. (The “stabled or trained in Virginia or owned by Virginians” is restricted to one horse per trainer). Note: It is the trainer’s responsibility to claim preferences at the time of entry.
