OFFICIAL ACTIONS:

Race 4: DUBAI AND BACK was pulled up after the 7th fence after tiring. GET KHOZY pulled up after the next to last when the rider lost both irons.

Race 5: MADE TO BE LUCKY was a vet scratch due to lameness RH due to a grabbed heel. An inquiry was called into the lost rider incident at the sixth fence. No action was taken. MAGIC PATH pecked at the sixth hurdle and lost the rider. Rider Stephen Mulqueen was cleared by the course physician.

Race 6: THISTIMETOMORROW(IRE) pulled up tired before the last fence. HASHTAG NO WONDER pulled up lame after the race in the LF and is placed on the Vet List.

Race 8: GOING COUNTRY was randomly selected for TCO2 testing. ANDY DUFRESNE(IRE) was eased before the second to last fence and vanned off, thereby placed on the Vet List.

OFFICIAL COMMENTS: The prodigious effort of the race association to mitigate the extreme course conditions should be recognized by all as a safe day of racing was achieved.
