Please review the updated overnight for time changes to the jockey's meeting.

#### **Old Dominion Course Report**

On Sunday Wayne Van Sant and Don Yovanovich inspected the Old Dominion Hunt racecourse. The course is no longer used for grazing, just hay. There is an almost complete covering of fescue grass and the grass is just starting to turn green. There is some rain predicted early this week which will help brighten the color and stimulate some spring growth. By race day the racecourse should be at peak appearance.
