Safety Helmet Purchasing Program

The Temple Gwathmey Steeplechase Foundation is delighted to announce a new and progressive safety grant aimed to enhanced rider safety and increase affordability of high-quality safety helmets. Made possible by the support of a generous donor, this program aims to improve the long-term health of jockeys, ensuring they are protected with approved safety helmets, replaced annually.

Each eligible jockey may apply to TGSF for reimbursement once per calendar year. The reimbursed amount will equal the cost paid for one new approved safety helmet, up to \$600.

**This safety helmet purchasing program DOES NOT take the place of the existing TGSF program which replaces safety helmets when a jockey has a fall.*

Who may apply: Professional and Amateur Jockeys who are licensed with the NSA and in good standing.

How to apply: Complete the application below and submit with proof of purchase (receipt) of a new “approved” safety helmet.

What is an “approved” safety helmet: One which carries an SEI label certifying that it conforms to ASTM standard #1163; or as approved by the British Horseracing Authority (EN 1384, PAS 015).

Where to apply: Email completed application, with proof of purchase, to Rosella Hunter at rosella@nationalsteeplechase.com or phone the NSA office 410-392-0700 ext. 3 for additional information.

Application For Reimbursement
