#### **The Jockey's Circle Online Auction**

Step into The Jockey's Circle, where exclusive experiences with steeplechase jockeys await! Bid for behind-the-scenes access, ride or play alongside the pros, and create memories that last a lifetime. Every bid supports TGSF's jockey safety initiatives—don't miss your chance to join the circle!

This is more than just an auction—it's a front-row ticket to the excitement, skill, and passion of the racetrack.

Bid on unforgettable experiences: ride or play alongside seasoned jockeys, feel the thrill of the track, or enjoy behind-the-scenes access that few ever get to see. Each package is carefully curated to give you hands-on insight, insider stories, and memories that will last a lifetime.

Whether you're a lifelong racing fan or simply seeking a once-in-a-lifetime adventure, The Jockey's Circle invites you to be part of a select group that experiences the sport like never before. Every bid supports our mission, helping TGSF support jockey safety initiatives, while giving you access to exclusive, exhilarating moments that money alone can't buy.

We are thrilled to announce that The Foxfield Fund (the local giving arm of the Cassiopeia Foundation) will match the money raised dollar for dollar.

Join us, place your bid, and step into the circle—where every gallop, every race, and every ride tells a story.

Successful bidders will be emailed a certificate on Friday December 19th with instructions to redeem - the certificate can be printed and given as a gift.
