(S) Denotes Supplementary Nominations.

The Iroquois course was inspected Sunday, May 3 by Ted Thompson, clerk of the course, and Zach Lovett, course superintendent.

The turf consists of a thatch of Bermuda grass over seeded with Perennial GQ rye grass. The grass is thick and consistent throughout.

The course has been Cambridge rolled and core aerated several times over the winter and spring. The ground is smooth throughout.

We have taken daily compaction readings for the last two weeks with all readings registering in the Good range. The weather forecast for the week includes a high likelihood of rain on Wednesday. It is our intention to produce ground on the kind side of Good on race day consistent with course conditions from last year.

Due to the recent EHV outbreaks, there will be increased scrutiny on horses shipping into the Iroquois grounds. ALL out of state horses must have a signed veterinary health certificate within 7 days. In state horses do not require a health certificate, but trainers are asked to please take rectal temperatures and record them before shipping onto Association Grounds, this is the recommendation of the State Veterinarian. Safety Steward Keith O'Brien will be in the barn area to check temperature logs and health certificates on arrival. Furthermore, once on Association Grounds, horsemen are asked to collect temperatures daily. Log sheets will be provided upon arrival. We appreciate everyone's cooperation and effort to ensure good biosecurity to protect our horse population.

Online GPS instructions may not send you to the horsemen's entrance at Gate 1. Race Day Traffic will be heavy. It is advised to arrive on the grounds by 10am.

From Nashville International Airport: Take I-40 W toward Memphis. Stay in middle or left lane. Take Exit 213-A (off to left) onto I-440 W "Memphis/Chattanooga". After 3/4 mile, take Exit 53 (off to right) onto I-440 W "Memphis". Off I-440, take Exit 5 to I-65 S. Go to Exit 74-B "Old Hickory Blvd/Brentwood". Exit 74-B goes directly onto Old Hickory Blvd (OHB). Continue along OHB approximately 6.5 miles. Entrance to race grounds is on right at the far side of hill. ON RACE DAY ALLOW PLENTY OF TIME AS TRAFFIC NEAR THE COURSE WILL BE VERY SLOW.

By interstate highway: We are on the SW side of town. From the east, coming into town on I-40, use directions for approach from airport. From the west, or southeast, follow signs to I-65 going south out of town: I-65 S exit 74-B OHB W. Continue down OHB per above directions.

From John C. Tune Airport: Out of gates of airport go to stop sign and turn right onto Centennial Place. Go across RR tracks; turn right at stop sign onto Centennial Blvd. Turn left at traffic light to stay on Centennial Blvd. Then use right lane to take the ramp onto TN-155 S/Briley Pkwy. When you cross I-40, Briley Pkwy will turn into White Bridge Pike; remain on White Bridge Pike for roughly 3 miles. Turn right onto Hwy 70 S/Harding Pike. After 1/2 mile, turn left at onto Belle Meade Blvd. Remain on Belle Meade Blvd for roughly 2 miles, then, after passing golf course, turn left onto Chickering Road. Stay on Chickering until you reach Old Hickory Blvd, then turn right onto Old Hickory Blvd. Finally, stay on Old Hickory Blvd for roughly 1mi, until you reach the racecourse on your right.
