exception providing the horse can be identified by his/her markings. All scratches must be made no later than one hour prior to post time for the first race.

Course Report:
The Foxfield Turf Course was inspected by Jack Sanford and Reynolds Cowles.

The turf is 6-7 inches in height, very smooth and consistent.
Turf type: fescue. Height will be clipped to 6 1/2 inches mid week. The course has been consistently irrigated for the past 4 weeks and natural rainfall has been ample.

Compaction measured with Longchamp penetrometer, averages 1.72 inches (4.3 cm), which equals the soft side of good.

Moisture averages 32.9% with a TDR which is on the good side of soft. We have showers predicted the day before the races and on race day.

The course will be measured again mid week and this report will be updated if there is any change.
