#### Foxfield Racecourse Update

At the suggestion of the NSA Safety Committee, the Stewards, and the Foxfield Race Committee, Foxfield has modified its hurdle course from 10 fences to 9. The last hurdle will now be just prior to the East Gate road crossing, approximately 1/2 mile from the wire. From there, riders will continue around the turn to a well marked existing beacon where they will drop inside for a straight run-in to the finish line.
